Contd...3/-

It should be noted that we would require a video CD from you covering the Expert Committee visit specifically focusing on physical infrastructure of the institution, interaction of experts with management, identified/appointed teaching and non-teaching staff. It should also be noted that an adverse view would be taken, if the interaction is discouraged and /or is not properly video recorded, as there will be an assumption that the Society /Trust is discouraging the expert Committee from interacting with the appointed / identified faculty for fear of covering up of facts of omission and commission.

For detailed information an expert visit format is being e-mailed to you.
