

Fees Information for Admissions for the Block Period 2025–26-2027-28

Dear Parents and Students,

The tuition fee at GCET for the block period **2022–23 to 2024–25** was **₹1,20,000/- per annum**, as per **G.O.Ms.No. 37**, dated **18.10.2022**. Based on a review by the **Telangana Admission and Fee Regulatory Committee (TAFRC)**, the proposed fee for the upcoming block period **2025–26 to 2027–28** has been fixed at **₹1,55,000/- per annum**.

However, the **Government of Telangana**, through **G.O.Ms.No.26** issued by the **Higher Education (TE) Department** on **30.06.2025**, has declared that the previous tuition fee (₹1,20,000/-) for the block period 2022–25 shall continue to apply for the academic year **2025–26**.

Following this directive, **GCET** has filed a petition in the **Hon'ble High Court of Telangana** under **Writ Petition No. 20257/2025**. The High Court has instructed **TAFRC** to complete the fee finalization process within **six weeks from 11th July 2025**. The finalized fee for **2025–26** will be announced by TAFRC and officially notified by the Government of Telangana. Any differential amount, if applicable, must be paid by the student in accordance with the notifications from **TAFRC** and the **Government**.

For further details, refer to the official notice available at:
